

## ***Volunteering Opportunities***

Two exciting and unique volunteering opportunities have arisen with the Tay and Earn Trust.

We are seeking expressions of interest from people who want to develop their experience and knowledge of the outdoors and local environment.

The work involves identifying habitats along the river Tay and Earn; developing nature trails; river bank maintenance and developing fishing opportunities. Some of the work will be undertaken by boat under the supervision of an experienced Ghillie. Guidance on boat handling will be provided and there may be an opportunity to gain a power boat qualification.

The work is 3 days per week for a 3 month period and hours are flexible. If you are interested please email [info@tayandearntrust.org](mailto:info@tayandearntrust.org)

The Trust is also seeking someone with a background in teaching, education or environmental outdoor activities to develop an outdoor and environmental studies programme for local schools. This will involve liaising with local schools; co-ordinating school visits; developing the outdoor classroom and organising the volunteer instructors and the programme. 2 days per week with flexible hours.

If you are interested please email [info@tayandearntrust.org](mailto:info@tayandearntrust.org)

Closing date for expressions of interest 20<sup>th</sup> July 2016
